

Precision Testing & Engineering Solutions for Industry

Center for Industrial Engineering Design Services & Solutions (CIEDSS) at The Superior University, Lahore, delivers reliable, industry-grade testing, design validation, and engineering solutions—bridging research, prototypes, and production.

Mechanical Testing Services & Pricing

We believe in transparency and efficiency. Below is our standard catalogue of mechanical testing services.

Test	Standard Reporting Time	Price per Specimen (PKR)
Tensile Strength Test	3 working days	4,000
Yield Strength Test	3 working days	4,000
Elongation Test	3 working days	4,000
Bending/Flattening Test	3 working days	3,000
Compression Test	3 working days	4,500
Hardness Test	3 working days	4,500
Impact Test	3 working days	6,500
Fatigue Test	5 working days	6,500
Creep Test	5 working days	6,500
Eddy's Current Test	3 working days	8,500
Deflection of Beam	5 working days	5,500
Column Buckling Test	5 working days	8,500
Thermal Conductivity	5 working days	8,500
Weld Integrity Test	3 working days	4,000
Weld Penetration	3 working days	4,000
Reliability Test	3 working days	4,000
Vernier Caliper Calibration	3 working days	4,000
FMEA Analysis	10 working days	10,000

What We Offer

Engineering Testing Services

18 advanced mechanical & material tests
Standardized procedures with certified reporting
Fast turnaround (3–10 working days)

Custom Design & Engineering Solutions

Tailored testing setups & fixtures
Engineering analysis, optimization & validation
Specialized solutions beyond standard tests

Prototype to Production Support

Pilot projects & scale-up assistance
Reliability, performance & failure analysis
Support for startups, SMEs & established industries

Who We Serve

Manufacturing Industries
Startups & Product Developers
R&D Organizations
Engineering & Construction Firms

Contact & Sample Submission

Technical & Lab Coordination

Engr. Arslan Ali
Lead Engineer, CIEDSS
+92 (0) 312 7250575
arslanali@superior.edu.pk

Commercial & Contract Testing (ORIC)

Dr. Shafique Ahmed
Manager – Innovation & Commercialization
+92 (0) 333 4834459
shafique.ahmed@superior.edu.pk

Lab Location

CIEDSS – Department of Mechanical Engineering
Faculty of Engineering & Technology
The Superior University, Lahore
Mon–Fri | 8:00 AM – 4:00 PM
